President's Message

In 1922 the Southern Alberta Pioneers and Old Timers Association were established as a Social and Benevolent Society. In reviewing the bylaws this year, I have been impressed by how we continue to be true to the objectives of the original constitution. We can all feel proud to be associated with such a vibrant, deeply rooted organization. As the end of my term approaches, I feel honoured to have been able to do my part to carry forward past endeavours. The present bylaws with their focus on social events, historical activities and the preservation of the Memorial Building remain true to the original intent.

Our leading bylaw object in 1922 was to "cultivate a social intercourse, form a more perfect union among its members." Thank you to Judi LaLonde, social convenor, for her efforts in facilitating this. We have had a very social time since our last newsletter. A yearly highlight is the Gold Card Tea. This May it was a smashing success - so well attended that at times there was standing room only. Thank you so much to convenor Moyra Ferguson and her helpers who did the baking and serving.

Stampede week is the apex of our social season with many opportunities to mix and mingle. All of our events did justice to the special Stampede Centennial Year celebration. On parade day, Linda Chudey and Robyn Arthurs delivered a polished parade entry. Ralphine Locke represented us as the oldest Pioneer Lady and rode in the original fringe-topped Surrey Rig

that Lady William Roper Hull led the first parade in. Thank you to Kerri Fipke for our pre-parade breakfast which was much appreciated this year due to a last minute change in the line-up and our start time. And of course thank you to our participants and the outriders who were all in good spirits and dressed for the occasion. The BBQ was very ably convened by Joan and Gary Trimble. It was a sell-out crowd which kept Gwen Hanna hopping the week before with last minute requests for tickets and had Joan and Gary wondering what they had signed themselves up for. Thank you so much. Russell Moore was a professional and entertaining Master of Ceremony, and Extreme Catering delivered a fantastic meal. The Rotary House Tea hosted by Pamela Hilton offered Mayor Nenshi his 2012 Stampede Highlight: meeting the local pioneers and hearing their stories. At the tea, Madge Greyson charmed him with his stories. Thank you to Pamela and helpers for doing a superb job! Dave Wake and the boys finished off the weekend with the Pancake Breakfast, another well attended event enjoyed by all.

A second object of our society is to "rescue from oblivion the memory of its early pioneers and to obtain and preserve narratives of their exploits, perils and adventures." Throughout Stampede week, the culmination of a winter's worth of planning came to fruition with the Pioneer Display in the BMO centre. This is a rich representation of Southern Alberta history that becomes more popular every year. Thank you to Dave

CASINO

Just a note to all the folks who volunteered their time for our casino in February. Our portion of the proceeds for that particular quarter was approximately \$65,000.

As you can see, your time was rewarded. Our next casino date will be in the fourth quarter of 2013.

Thanks again,
Pat Rodriguez, Casino Co-ordinator.

(Continued from Page 1)

Wake, Bud Vine, Jim McDonald and all of the volunteers who took shifts during the week. Also thanks to Bud, Dave and Jim for taking this display to Loughheed House for their event in July. David Ballard and Joan Davis convened the opening day of Chinook County Historic Calgary Week in our building and Mayor Nenshi attended to give greetings and to proclaim the opening. Our culinary history is preserved with the efforts of Fern Dorsch and her cookbooks. We are an integral part of the provincial historical scene and the efforts of the historical group are much appreciated.

A third bylaw object from 1922 is to "collect and preserve in authentic form a library of books, pamphlets etc. illustrative of the history of the province." We are very fortunate to have the Memorial Building, which provides a meeting place, a home for the historical books and a vault for our archives. Thank you to Iona Shaw for looking after the library and to Mary and Carol

Duborg for their recent job of cataloguing all of the books. Fran Copithorne and the building committee work hard behind the scenes to keep everything in good shape. Your work is appreciated. Thank you to Pat Rodrigues, our casino guru, for your help in raising the funds for our building projects.

As we head in to the fall, I would like to thank Jan Hawes and Lauri Copithorne for their work with the newsletter. This is the age of communication and our main form of communication is the newsletter and website. Jan and Lauri are moving on and we welcome the next tech savvy generation to take the opportunity to be involved.

Lastly, a huge thank you to the entire 2012 board for your support in the last year.

Now to look forward to our fall events- Champion Park, the AGM, and the Round-Up. See you there!

-Kathleen Rogers, President

Pipes for All Occasions

Treasurer's Report

In the April newsletter I made comment on several very positive matters affecting our finances which I would like to briefly follow up on.

Construction and installation of the new gate is complete and the work is fully paid for. Construction came in on budget and as a result we have nearly \$6000.00 left over from the original Rintoul gift of \$50,000.00. This will be carried forward on our books and be used as necessary for future maintenance and upgrading as required.

Secondly, at mid-year our rental operation appeared to be on a record pace. However, since then things have somewhat flattened out to the point where we are now (July 31), running about \$5000.00 behind last year. There doesn't seem to be any specific reason, simply not as many renters compared to last year. I should also note that June and July of 2011 were near record months and so I suppose it is not surprising that there has been some fall off.

Since the end of September last year, our fiscal year end, there has been over \$4000.00 donated to the Memorial Building Fund, in memory of deceased members. The investment of these donations and the earnings on the already existing funds brings our total Building Fund to nearly \$ 330,000.00. Although the return on these investments, like all investments these days, remain very low but steady.

Although others will be reporting on the Stampede BBQ, I thought it would be worth noting that over the past few years there has been great progress made towards turning this wonderful event into a break-even position. Due this year to a higher turnout (245 attendees) and a higher level of bar patronage, the deficit was reduced by a further \$800.00 this year to \$1800.00.

We remain in an enviable positive cash position and on a solid financial footing.

Respectfully submitted
Joe Ferguson, Treasurer

Stampede BBQ July 7, 2012

It was a perfect day for a BBQ and we had an exceptional attendance of 250 people. Perhaps because of the 100th Anniversary of the Stampede, many people came with guests and members of their extended family. It was delightful to see so many people sitting around the lawn in the sun, enjoying the visiting, the good food, the music, the scenery and even a visit from the Stampede Queen, Princesses and Indian Princess.

A special thank you for the assistance of Judi LaLonde, Joe and Moyra Ferguson, Dave Wake, Mary Duborg, Kathleen and Brian Rogers, Pat Rodriguez, Iona Shaw, Joan Coren, Bill Jackson, Russell Moore and Gwen Hanna.

Toonie Stampede Breakfast Report

The weather cooperated again this year for the Pancake Breakfast - a fitting conclusion to our 2012 Calgary Stampede events.

Jim McDonald and I would like to extend a big thank you to the many volunteers (23 at my count) who helped out this year to make the function a success. After the big turnout for the barbeque we didn't know how many to prepare for. As it turned out donations covered the cost of food, etc. and no one went away hungry.

Lots of pancakes, sausages, juice, coffee, live music, sunshine, and the tents for shade..... Who could ask for anything more!!

Hosting the Opening Ceremonies

Historic Calgary Week - July 27 to August 6, 2012

The Memorial Building of the Southern Alberta Pioneers and their Descendants once again served as the meeting place for the opening day of Historic Calgary Week (HCW) on July 27, 2012. And once again, His Worship the Mayor of Calgary, Naheed Nenshi was in attendance to welcome participants and to read the City of Calgary proclamation about HCW. With obvious enthusiasm for the work done by the Chinook Country Historic Society and SAPD historic committee, the Mayor had checked back to historic sources to discover several recipes used by pioneers --- some quite straightforward, others a bit obscure, but none-the-less interesting. He continued by praising the pleasant times he has at the Stampede Pioneer Teas, and the warm welcome given. The mayor promised to try to attend some of the HCW programs, and later was successful in being at one lunch-hour presentation at the Central United Church (topic: The Barron Building).

The Pioneer Lady, Joan Davis, historian at SAPD, and Pioneer Gentleman Bud Vine were in attendance during the day.

The first presentation of the day was given by Brenda Fox Gladstone, about her grandfather, James Gladstone, the first aboriginal senator in Canada. She provided an in-sight to Gladstone's background and accomplishments, but also used the opportunity to acknowledge the contributions of Gladstone descendants as leaders in administration of tribal affairs, the Indian Affairs department, and in education at the Blood Nation in Cardston. Several members of Brenda's family attended the program.

"The Five Homes of Colonel James Macleod" was the topic for the second presentation when Nancy Townshend, a great grand-daughter discussed the family home on the Isle of Skye in Scotland, the rural setting of the home near Toronto (now part of the city), Fort Macleod, the ranch near Pincher Creek, and the Calgary home (now as a replica at Heritage Park, Calgary). She also wanted to set straight the historical record about the meaning of the name 'Calgary.' When Colonel Irvine wrote about the

naming of Fort Calgary, he cites a meaning of "clear running water." Nancy informed us that Calgary comes from the Gaelic word meaning "bay farm," and that indeed Macleod may have thought directly of his childhood home, a bay farm on the west coast of Skye, when he suggested the name Calgary. Nancy hopes that artist Stan Phelps will be commissioned to paint a different mural at City Hall, showing Colonel Macleod family's bay farm rather than the different island, different bay, different farm it presently shows.

Celebration of the declaration of Calgary as the Cultural Capital of Canada was acknowledged with a special cake. As cake and ice-cream were served on special picnic occasions in the past, the tradition was continued. Pioneer Lady, Joan Davis and SAPD President, Kathleen Rogers cut the 2012 Celebration Cake.

The afternoon session featured pioneer JJ McHugh, rancher and instructor at the Fish Creek Agriculture School. As an aside, the HCW brochure displayed a photo of a picnic on the banks of the Elbow River, likely in an area near the Memorial Building. Only with further research was it discovered the coincidence that the photograph featured the McHugh family. Storyteller Karen Gummo told the McHugh story in prose and song, featuring audience participation, using the documents entrusted to her by JJ McHugh's grand-daughter, Virginia Klatzel. Four generations of the McHugh families were in attendance.

"Calgary of the 1940s" was the topic of the fourth session featuring some of the many treasures collected by William

Photos submitted by Roberta Ryckman

(Bill) McLennan. Before the program began, when an ancient rolled map was hung at the front of the room, audience members flocked to see it up close, so keen was the interest. Bill "walked" the audience up and down the main streets of downtown Calgary citing the various buildings and businesses. As he recounted his boyhood adventures and reminisces, he also discussed the excitement of the Grey Cup and the politics involving the Social Credit and Conservative eras. Many in the audience shared in these memories of the 1940s.

This event represents the seventh year that the Southern Alberta Pioneers have been part of the Historic Calgary Week. Participation by SAPD honours the organization's mandate to tell and keep alive the stories of the founding pioneers.

If you know of stories that could be presented in future years, or have suggestions, please contact SAPD historian Joan Davis at glenelg2@shaw.ca or 403-251-4915.

What a Great Group!!

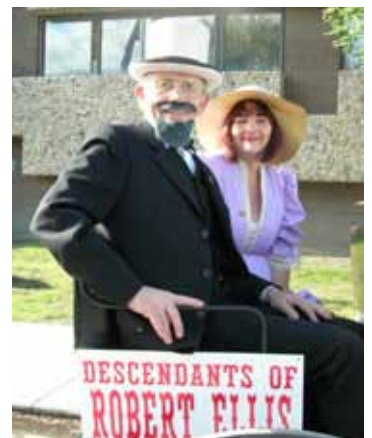

Stampede Parade 2012

A huge thank-you goes out to our participants in the Centenary Stampede Parade. You have embodied the pioneer spirit and shared with the world your enthusiasm. We could not have asked for better representatives this year. The personal stories that came out through the many conversations that I have had with you about your ancestors were a tribute to their memories. Many of you travelled a great distance to be here, and /or put much time, effort, and money into costuming. I am grateful for your commitment. You made our entry terrific. As far as I'm concerned—you—were the highlight of the parade.

We owe our safety and positive experience to our trail boss, the outriders, drivers and assistants, for their skill and experience in navigating the route, dealing with crowds and other modern day hazards. Their calm and patient manner in dealing with horses added to our sense of well-being.

We had a great start to the day with the breakfast provided for us at the Rotary House. Thank-you ladies! It takes teamwork to get this show on the road and we had the best!

Calgary Stampede Display - 2012

Once again the display was a success. The move into the Western Oasis (this was our 2nd year at this location) was very well received by visitors and volunteers alike. Our 3rd year of collaborating with the Calgary Stampede Historical Committee (CSHC) also went well and greatly assisted with booth setup, staffing and take down at the end of the stampede.

As in previous years, the photo display consisted of approximately 400 photos from the SAPD and CSHC collections. For the 2012 display, we added photos of early Calgary including the Calgary Stampede as well as surrounding areas circa 1912 to join the Calgary Stampede in celebrating its 100th anniversary. Thanks to Al Collins for allowing us to copy the 46 inch long picture (including names) of the North West Mounted Police assembled on horseback at the 1912 Stampede. His grandfather, W.F. Parker, was one of the troop. Also thanks to Dave and Anne Brown for donating an original poster advertising Guy Weadick's Stampede Ranch west of Longview.

Many visitors signed the guest book as well as commented in the three ringed binder. The committee will be following up on inquiries, etc. as soon as possible. Similar to last year, the Remington Carriage Museum loaned the stagecoach or more properly called the Western Passenger Wagon. It was positioned away from and somewhat disconnected from our display due to fire regulations, etc. Stairs were built and a third volunteer staffed most time slots to assist entry and exit of visitors wanting to get their picture taken in the unit.

The stairs and the extra volunteers were at the request of the Stampede to meet safety requirements. We received considerable support from the Western Showcase Committee to erect the booth, supply and install lights, provide day passes, etc. Many thanks to Susan Tomilson and her staff in the Western Oasis. Thanks also go to Jim McDonald from SAPD, Kate Gernat as well as Linda Clarkson from the CSHC for their time spent on the phone filling all the time slots required to staff the booth for eleven days.

Thanks also to Jim McDonald, Bud Vine, and Bill Murphy from SAPD, as well as Linda, Stan, Kate, Cathy from CSHC, for helping with setup and take down. The booth was staffed by the following volunteers:
