

April 2022 Issue

# **President's Update**

Hi All

I hope that April finds you all well as we transition between seasons. It is a continued time of excitement with the Southern Alberta Pioneers as we look forward to re-engaging with each of you with renewed vigor and hope that we will be able to convene soon. The pandemic has, as we have indicated previously, been a challenge for all of us and we hope that the corner is turning.

I wanted to reach out to you to let you know of some key events and dates that we do have coming up which will be highlighted further down this eNewsletter and in our next regular newsletter.

at the Memorial Building. It will take place

Coming up very soon, we will be having our Spring cleaning

on **April 30, 2022**, starting at 10am, weather permitting of course (2). Please reach out to John Hutchings to confirm your attendance at <u>sap.office@pioneers.org</u>

We are also planning on going ahead with the following events in the near term for our members:

Function	Date	Location
Stampede BBQ	9-Jul-22	Memorial Building
Pioneers Tea & Sandwich Making	12-Jul-22	Memorial Building
Stampede Breakfast	16-Jul-22	Memorial Building

We would also like to announce our Round Up - **100-year Celebration date** to be held in the Crystal Ballroom at the Palliser Hotel for **November 5, 2022**. Please book this date in your calendar!!!

Further details for each of these events and others will be coming in this year's newsletters. We will be looking for volunteers to help us with each of these events if you are able. Please let any of the Board know if you are interested in helping out at any of these events.

Please stay safe and healthy and we look forward to hopefully seeing you soon. Feel free in our events to observe whatever precautions that make you feel most comfortable including distancing, and/or wearing masks. I ask that we all be patient, respectful and kind towards each other and also ourselves as we re-establish our routines and respect other's choices.

Regards Shawn Hendry President Southern Alberta Pioneers & their Descendants

# **Events and Volunteer Opportunities**

SAPD is hoping to increase our communication with our Membership by sending out briefer eNewsletters during the gap between regular newsletters. These eNewsletters are dedicated to announcing upcoming events and other significant, time-sensitive news, and to invite Members and others to keep our events robust by volunteering.

### **Social Events**

SAPD is so pleased to report that, this year, we will again be hosting social events for our Members, their family members, and the Friends of SAPD. For example, on the horizon is our July Stampede week breakfast and BBQ, with yummy food, entertainment and a long-overdue opportunity to greet one another.

Just as with all non-profit organizations, SAPD's social events rely on volunteers to organize the event, handle registrations and/or the sign-in book, serve guests, and cook and/or clean up after the event. Our history shows that the best volunteers are SAPD Members and their family members and friends. YES! Your friends! Your time will make an impact on events that we all care about.

### **Perks for Volunteers**

Volunteering can be a brilliant way to show your friends what SAPD means to you and why you are involved. It can also give you opportunities

- to learn about other historically relevant events in Southern Alberta,
- to spend unique time together,
- to socialize in a meaningful and productive way,
- to educate others about your own ancestors and their lives as Southern Alberta pioneers,
- to introduce them to other Members, and
- to launch or reinforce new and/or lasting friendships.

Volunteer work is also a great addition to job search résumés.

#### **Membership Volunteers Needed**

When SAPD puts on displays in appropriate community fairs, we rely on volunteers who will

- talk to attendees who are interested in becoming a Friend Member,
- hand out application forms, and
- accept filled out forms and membership fees.

Membership volunteers at non-display events (e.g., Stampede BBQ) can accept membership fees.

#### Shifts

- Ideally, volunteers will work 1 hour shifts at many of our events so everyone gets an opportunity to participate in the event.
- Larger and/or longer events may require 2-hour or 3-hour shifts based on the number of volunteers that sign up. An example is the Millarville Fair, August 20 & 21.
